To the <u>Manufacturer</u>, Jobber and Dealer

THE mercantile world has for years been awaiting an improved adjustment service, one that combined dispatch with ability to harmonize conflicting interests and restore trade relations. We are well aware of the many disappointments of our merchants in that direction, being only too frequently listeners to what so-called Collecting Agencies promised to do, but failed to accomplish. Now, while you may have been disappointed with a misfit coat by a tailor, you surely will not stop wearing a coat, or with your butcher with bad meat, you will not abandon that necessity, but you will change until you can find a tailor who can fit you, or a butcher who can satisfy your taste. Years of experience have taught us a system of collecting accounts, regardless of age and conditions, that has not been adopted by any of the Collecting Agencies, and we are safe to state that when an account has passed our hands you will either have received a satisfactory settlement or we will convince you that every possible way has been exhausted in accomplishing a successful adjustment.

We give immediate attention to your claims. We employ a staff of expert collectors; report on each claim when desired; make remittances the day of settlement; we pay

all attorneys' fees and court costs; we make only moderate charges; we employ the best legal talent.

Having unsurpassed facilities to collect and locate delinquents in any part of Canada, United States or Europe, and pursuing strict business methods, we invite the

merchants' patronage.

CALL, WRITE or 'PHONE and we will have one of our representatives call on you.

PREFACE.

N presenting the Twenty-Ninth Annual Edition of the City of Hamilton Directory, I thank the business men and patrons of the Directory generally for the very liberal and enthusiastic support they have given me and for the substantial increase in advertising. As my last edition proved very satisfactory, I am quite confident that the present volume will be still more so it containing more information, and no expense, time or labor being spared to make it most accurate.

In the Miscellaneous Directory will be found the names of the new officers of the various societies, etc., and the City Council and School Trustees for 1902. In due time my canvassers will call on you for the renewal of your patronage.

Wishing my subscribers a prosperous year, I remain,

Respectfully yours,
